## S. D. LARGENT

The Class of 1929 takes this opportunity to express their gratitude and appreciation to Mr. Largent for his many years of untiring service in behalf of the students of the Great Falls High School.

Mr. S. D. Largent, superintendent of the city schools, has been connected with the Great Falls Public Schools for thirty-eight years. During this time he has noted the growth of the city schools from only 270 students to over 6,600 enrolled today. He will leave the Great Falls schools next August with a record of which both city and state are proud.

Besides his educational work in Great Falls, Mr. Largent has done much national and state work. He is recognized as the dean of common school education in Montana and has served on the state board of education. He has been a member of the National Educational Association and at one time was a director of this association. At the present Mr. Largent is a life member of both the national and state educational associations.

# ROUNDUP

ELIZABETH LOUISE ANDERSON  
"Libby"

*"To those who know thee not, no words can paint  
And to those who know thee, all words are faint."*

Blessed with light curly hair and attractive blue eyes, Elizabeth is easily ranked as one of the prettiest girls of our class. She is as staunch and true a friend as ever a girl could be. We predict a brilliant future for her.

General Course. Sophomore Party Committee 2; Girls' League.

HERBERT WEBB ARMSTRONG  
"Herb"

*"His limbs were cast in manly mold  
For hardy sports and contests bold."*

Herb is popular not only with his classmates but also with his teachers. Not mentioning social activities, incomplete without him, he "took" to sports like a duck does to water, and success favored every step he made.

Scientific Course. Football 3, 4; Basketball 4; Track 3.

ANNA LOUISE ARNDT  
"Babe"

*"Smiles are like songs in love;  
They much describe, they nothing prove."*

We are not certain whether Babe is lucky because she smiles, or whether she smiles because she is lucky. In her we find one of those easy-going, frank, good-natured persons with a rare combination of dignity and spontaneous pep.

General Course. Girls' Glee Club 2; Girls' League.

WILLIAM AUSTIN  
"Bill"

*"If thou wouldst live unruffled by care,  
Let not the past torment thee e'er."*

Bill did not let his past worry him. In fact, there was little in his past to worry about. He was the proud possessor of a collegiate Ford and judging by the number of occupants it usually carried, Bill was not without friends.

Commercial Course. Bookkeeping Club 3, 4; Treasurer of Bookkeeping Club 3; Football 1.

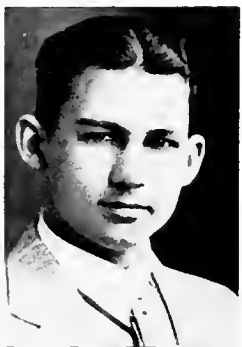

JACK BAINTON

*"Three things shine—the sun, the moon, and my hair."*

Jack's good nature, his consideration for the other fellow and generosity have succeeded in winning many friends for him. Worry and Jack have never met. His knowing way with the drums has made him a member of the High School Orchestra.

General Course. Orchestra 1, 2, 3, 4; Track 1, 2; Track Team 3, 4; Basketball 4.

C. BEN BARNEY

*"Barney"*

*"Hang sorrow! Care will kill a cat  
And, therefore, let's be merry."*

Because of his good sportsmanship, slow, easy-going manner, and wit, Ben was greatly liked by all his classmates. Lessons did not seem to worry him much, yet the class of '29 would not have seemed complete without this good-natured sort of fellow.

General Course.

CLARENCE BEAULAUER

*"But I am bound to be true."  
"I am not bound to win."*

Not many have had the pleasure of really knowing Clarence since he is a rather quiet, unassuming sort of lad. Those that do know him have found an exceptionally likeable fellow with a pleasing personality.

General Course. Hi-Life 3, 4; Basketball 1, 2, 3.

MYRTLE LAVERNE BERGMAN

*"Mertie"*

*"Not merely to exist, but to amount  
to something in life."*

Mertie is that quiet, rather retiring Miss, with a firm, true heart. She proves that good nature and good sense go well together. Not in vain does she burn the midnight oil, for whoever heard of Myrtle's having a poor mark?

General Course. Reentered from Power 2.

ANNE BERKEBILE  
"Berkey"

"It's the songs ye sing on' the smiles  
ye wear  
That's a-makin' the sun shine every-  
where."

Our first impression of Anne was that of a quiet, pretty, little Miss with dreamy eyes, but her friends know her as a jolly, lively, young lady with ability to do well anything she undertakes. She has our sincere wishes for success and happiness.

General Course. Entered from Harlem High School 2.

ELIZABETH BERTSCHE  
"Ted"

"Happy, kind, thoughtful, true,  
There is no favor she will not do."

We award Ted first place for being our "all-around" scholar. She is a faithful "Booster," can throw a mean basketball, and knows her tumbling. Ted has initiative. Recall her work as class official and For-umite. Ted, the indefatigable.

Scientific Course. G. A. C. 1, 2, 3, 4; Forum 1, 2, 3, 4; Booster Club 4; Basketball 1, 2, 3, 4; Tumbling 1, 2, 3, 4; Track 1; Honor Society 3, 4; President of G.A.C. 3, 4; Vice President of Class 4; Latin Club 4.

Bonnie  
BONNIE MULLA BOVEE  
"Bon-Bon"

"It's nice to be natural when you're  
naturally nice."

If it is true that "a sunny disposition is the very soul to success," Bonnie will have so much success she will want to give some of it away. We have admired her earnestness and diligence and certainly wish her the best of luck.

General Course. Forum 2, 3; Girls' League; Hi-Life Salesman 2.

GEORGE W. BOWEN  
"Bone"

"He holds this to be the rule of life—  
Too much of anything is bad."

And now we come to a fellow with whom we would like to have been better acquainted. Eyes which dance with mischief reveal their owner's interesting personality. When it comes to making witty remarks, "Bone" could be relied upon.

General Course. Orchestra 3, 4.

VIRGINIA ALICE BROWN

*"Ginger"*

*"As every thread of gold is valuable,  
so is every minute of time."*

Virginia has been here only two short years, yet in that time she has gained more friends than most of us do in all the four years. She is a happy-go-lucky sort of girl always busy helping some one out.

General Course. Entered from Valier High School 3; Bookkeeping Club 3; Business Club 4; Girls' League 3.

GAIL WARD BURLEIGH

*"Pinkie"*

*"Like some brave knight of old  
He dashed into the fray;  
The lists rang long and loud;  
We won the game that day."*

As an athlete particularly, Gail has an enviable record. His work is characterized by steadiness and concentrated endeavor. Pinkie, as he is affectionately called by many, has a great number of friendships that bid fair to be life-long.

Scientific Course. Senate 2, 3, 4; Vice President of Senate 3; Football 1, 2, 3, 4; Basketball 1, 2, 3, 4; Track 2, 3, 4; Lettermen's Club 2, 4; All-State Guard 3; All-State Tackle 4.

CREIGHTON CARR

*"Smoky"*

*"Calm and unafraid he walks,  
Unhurried by time or tide."*

It would be impossible to tell in these few lines of the many accomplishments of Creighton. He started his career with us four years ago, and since that time there has been a great change. Creighton has distinguished himself in athletics to no small degree. We wish him well.

Scientific Course. Football 1, 2, 3, 4; Basketball 1, 2, 3, 4; Track 3, 4.

LAWRENCE CONKLIN

*"Larry"*

*"The world's no better if we worry,  
Life's no longer if we hurry."*

Lawrence has spent four years at G. F. H. S. It has been a period of profit and accomplishment. Often the tranquil person accomplishes most. We believe Larry has a bright future.

General Course. Entered from Big Sandy 4; Basketball 1, 2, 3, 4; Track 2, 3, 4.

# ROUNDUP

CYRIL CONRAD

"Cy"

*"He broke no promise, served no private end,*

*He gained no title, and he lost no friend."*

On the football field, in the ballroom, anywhere, you'll find Cy the same good sport. Cyril is quiet and reserved; he has a host of friends. Turn out more like him, Central, and you'll soon gain success.

General Course. Art Club 2; Orchestra 1, 2, 3, 4; Junior Roundup Representative 3; Football 3, 4; Lettermen's Club 3, 4; Editor-in-Chief of Roundup 4; Montana Interscholastic Music Meet 1, 3, 4.

WILLARD EUGENE COOK

"Cookie"

*"No life is so strong and complete,  
But it yearns for the smile of a friend."*

Willard is one of those good-natured, care-free fellows that everybody likes. He watches life pursue its wanton course with a perpetual smile. It would be wrong to conclude that he was always thus. When duty calls, he can be as serious as the next fellow.

Scientific Course. Senate 2, 3, 4; Music Club 2, 3, 4; Vice President of Music Club 3; President of Music Club 4; Prom Committee 3; Track 1, 2, 3; Class Basketball 2, 3; Football 3, 4; Boys' Glee Club 4; Roundup Athletic Editor 4; Lettermen's Club 4; Vice President of Lettermen's Club 4; Montana Interscholastic Music Meet 4.

ELIZABETH COOPER

"Betty"

*"She is a friend to everybody, and everybody is a friend to her."*

Betty has acquired a host of friends during her four years at G.F.H.S. It will be hard to say goodbye to her in June. She is one of those girls who possess a magnetic personality and spotless character.

General Course. Forum 1, 2, 3, 4; Secretary of Forum 3; Finance Committee 3; Girls' League.

LAWRENCE COR

"Currants"

*"Men of few words are the best of men."*

It is apparent; therefore, to Currants, that few should be his words. Although we dislike to prophesy, we believe his road will be paved with good intentions, cordiality, and brotherhood. How successfully he will traverse that road remains to be seen.

Scientific Course. Orchestra 1, 2; Latin Club 4.

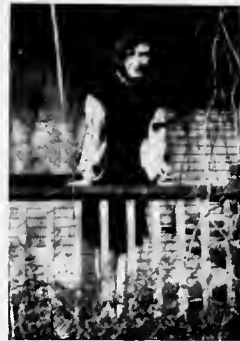

FERN MARION CUMMINGS

*"Kitty"*

*"A soul, sincere in action,  
Faithful, and in honor clean."*

This demure young lady is one of the nicest, finest girls in the school. Fern is well liked by everyone. She appears to be very quiet, but is one of the best little sports you could ever hope to find.

Commercial Course. Bookkeeping Club 3; Treasurer of Bookkeeping Club 3; Girls' League.

M. EILEEN CURRY

*"A noble type of good heroic womanhood."*

Eileen reminds us of all that is good and pure. She is virtuous, honest and good natured, a good pal plus everything that is desirous of real womanhood. Words cannot express our pride at having you for a co-ed.

General Course. Re-entered from Ursuline Academy 3; Hi-Life 4; Roundup 4; Business Club 4; Girls' League.

FRANKLIN HARNER DAVIS

*"Curly"*

*"A workman that need not be  
ashamed of his handiwork."*

Through these long years of work and play, Curly has emerged with an enviable record. To those who have shared his companionship, he has been a true friend and helper, and, deservedly, has been respected by all.

Scientific Course.

IRENE EDITH DALEY

*"Sparky"*

*"The years slip by; but in the kindly  
heart  
Of friend or comrade, change can  
have no part."*

Irene has spent just one year with us. We would like to know her better, but we have learned to love her smile, which has won her many friends.

Commercial Course. Entered from Gables High, San Francisco 4.

## SENIORS

MARIE JULIANNE DOTSETH  
"Dizzy"

*"There is a soft and pensive grace,  
A cast of thought upon her face."*

Beauty and brains—a glorious combination that one seldom finds. Dizzy's only rival on looks is the famous Miss Garbo of the cinema. Clever, amusing, and brilliant, Marie is always in demand.

Commercial Course. Girls' League.

VIRGINIA DOUGLAS  
"Ginny"

*"A winning way, attractive face  
Ambition fitting her for any place."*

In everything she undertakes, Virginia never fails to do her best and to make that thing worth while. Her sincerity, charming manner, and willingness to serve are bound to win a place of honor for "Ginny" in this world. The class of '29 is indeed proud of her.

Classical Course. Class Colors and Flower Committee 1; Prom Committee 3; Latin Club 4; Girls' League.

EVELYN HARRIET DYVIG  
"Lyn"

*"How far that little candle throws its  
beam!"*

This small, fair girl who left a fine record of prowess behind her at Hardin High School, has already endeared herself to us. We find beneath her quiet reserve an unselfish classmate, an interesting, congenial companion, and best of all, a true friend.

General Course. Entered from Hardin High School 4; Glee Club; Basketball; Reporter on Big Horn, H. H. S. paper; Junior play; Oratorical contest.

VIRGINIA EATON  
"Tubby"

*"She is like a summer rose,  
Making everything and everybody  
about her glad."*

Tubby scattered sunshine wherever she went. Although with us for just one year, more friends were made in that short time than most people make in four years. She never meets a stranger.

General Course. Entered from Teton County High School 4; Hi-Life 4; Dramatics 4; Girls' League.

# THE YEARBOOK

PHOEBE ALICE ELLIOTT  
"Irish"

*"Pains of love be sweeter far,  
Than all other pleasures are."*

She is a vivacious sort of person who is always going somewhere or doing something. Phoebe is the introducer of flapper styles, clever, slangy sayings, and various fancies, but there is a delightful personality hidden under the flippancy of the modern girl.

General Course. Home Economics Club 1; Forum 1, 2; Carnival Committee 1; Girls' League.

JAMES HARVEY ELLIS  
"Jumbo"

*"I had rather have a fool make me  
merry  
Than experience to make me sad."*

How many girls shed oceans of tears because they did not possess the wavy hair and long curly eyelashes Jumbo had! This combined with his clear blue eyes made him a regular Apollo—but he, too, was a woman-hater.

General Course. Entered from Seaside High School, Oregon 2; Football 3.

EDITH MARION ERICKSON  
"Ricky"

*"A daughter of the gods, divinely tall,  
And most divinely fair."*

Without a doubt Marion was one of the most distinctive and most active girls of our class. Even though participating in numerous outside activities, she never seemed to neglect her studies. Very few have accomplished what Ricky has and in such a brief period of time.

General Course. Art Club 2, 3, 4; Vice President of Art Club 3; Girls' League.

CLARENCE L. FAKE  
"Fake"

*"Learn to love well, is therefore the  
first and golden rule of wisdom."*

Clarence has spent four years in G.F.H.S., and we hope it has been profitable both to himself and to everyone who has come in contact with him. We regret his going but wish him the best of luck.

General Course. Class Basketball 3, 4.

ROBERT FENTON  
"Bob"

*"Good humor makes all things tolerable."*

Bob is a quiet, unassuming chap about school, but is persevering in all his studies. In quest of him, it is safe to seek the scene of the greatest excitement. He is a loyal supporter and an excellent friend, withal a lovable, fine fellow.

General Course.

LOUISE FERGUS  
"Lowy"

*"Who has a smile that comes and goes  
Like sunshine over her mouth's red  
rose."*

Louise is a general favorite with the class. She radiates comradeship and good nature. Willingness to work has made her a valuable member of the Booster Club, and one is not surprised to find her active in other clubs.

General Course. Forum 1, 2, 3, 4; President of Forum 4; Glee Club 1, 2; Secretary of Girls' League 2; Booster Club 1, 2, 3, 4; Treasurer of Booster Club 3; Secretary of Booster Club 4; Vice President of Class 3.

GRACE FENTON FERRIS  
*"Thou singest by the gleaming isles  
Thou singest, and the sunlight  
smiles."*

To talk with her is a privilege; to hear her sing a delight. Grace is characterized by common sense and reliability, which give her a splendid record in school. She believes that to work hard and play hard, is to be happy.

General Course. Music Club 1, 2, 3, 4; Dramatic Club 1; Montana Interscholastic Music Meet 1, 3, 4; Vice President of Class 2; Secretary-Treasurer of Music Club 3; Second Place in Soprano Solo 3.

M. GENEVIEVE FIFER  
"Gen"

*"Here name a gem, one of beauty,  
Silent service, love of duty."*

Small but mighty powerful! Gen is a faithful worker and has done her duty to her classmates. Besides being studious, glance at the accompanying picture and decide for yourself as to her pulchritude. Yes, we agree with you, she's a beauty!

General Course. Home Economics Club 1, 2, 3, 4; Tumbling 1; Vice President of Home Economics Club 3; President of Home Economics Club 4; Hi-Life Salesman 2; Girls' League.

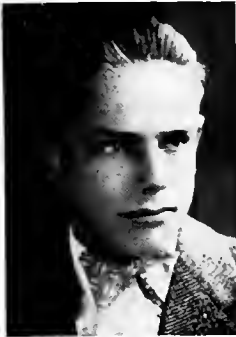

EVELYN B. FISHER

*"Bliss"*

*"The fairest garden in her looks  
And in her mind the wisest books."*

Evelyn is one of the most prominent reasons why we have a right to be proud of our class. Four years of Latin held no terrors for her. The number of A's which she received was envied by all.

Classical Course. Music Club 1; Hi-Life Salesman 2; Dramatics 4; Latin Club 4; Girls' League.

ROBERT FLINT

*"Bob"*

*"The beginnings of all things are small."*

Bob is just the sort of a fellow whom one is glad to call a friend. Quiet and retiring by nature, nevertheless, he has succeeded by these very traits in gaining a real influence over his friends.

General Course. Booster Club 4; Basketball 3, 4; Roundup Staff 3, 4; Hi-Life 4.

ALBERTA J. FORD

*"Bert"*

*"A maiden's conscious blood  
In cheek of girlhood glows;  
A bud slips into a rose  
Before it is quite a bud."*

Bert was a typical flapper. But with or without her flapper ways there is something unusually attractive about her. With all her dates and outside activities she has very little to worry about. Her studies must get along some way.

General Course. Home Economics Club 1, 2; Music Club 2; Tumbling 1; Girls' League.

DOROTHY L. FORD

*"Dot"*

*"Never known to have said an unkind word."*

A rather demure, quiet, little girl whom we wish we had known better. We have found her a willing generous student and her friends tell us of the sincerity, good-naturedness, and quick humor under the quiet exterior.

General Course. Entered from Helena High School 1; Forum 2, 3, 4; Business Club 3, 4; Girls' League.

NORMAN FOX  
"Norm"

*"Ere half of the good I planned to do  
Was done, the short breathed day  
was through."*

Norman has been a necessary as well as a valuable asset to the Senior class. With his ever-increasing desire to make each issue of the Hi-Life better than the last, he has worked with a will. He is a loyal and true friend with high ideals.

Commercial Course, Business Club 3, 4; Bookkeeping Club 4; Editor-in-Chief of Hi-Life 4; Secretary of Bookkeeping Club 4.

FRANCES FRANICH  
"Francie"

JOE PATTON  
"Jojo"

*"One of those welcome faces  
Bringing sunshine to Life's shadowed places."*

With lots of bluff mixed in with lots of real, earnest work, with lots of laughs, hiding more serious moods, this gleaming haired lad has won the hearts of his classmates. Joe is a pal we'll never forget.

Scientific Course. Senate 2; Booster Club 4; Football 4; Basketball 3, 4; Hi-Life 4.

JOE CHARLES PERETTI

*"Do you pretend to be more important than you really are?"*

We like Joe for his easy going manner and good sense of humor. There are many sterling qualities in his makeup, and when wit is needed, he can do the right thing at the right moment.

Manual Training Course. Class Basketball 1, 2, 3.

ARTHUR BERDEEN PETERSON  
"Art"

*"Life itself can't give us joy unless we really will it,  
Life just gives us time and space—  
it's up to us to fill it."*

Art filled his life full, and with worthwhile things, too. He played football, went out for track, and studied. One of his virtues is that he did not make friends aggressively, but he made them, and they stuck by him.

Scientific Course. Track 1; Football 4.

BLAZ M. POLICH

"Polack"

*"Contentment is a priceless gift, but discontent is helpful too—  
I want the first for what I have, the second though, for what I do."*

Blaz was one of those persons who could do things either with his hands or his head. He was skillful with his hands, and they say he was a shark at Algebra. He will surely make his mark.

Manual Training Course.

JOSEPH J. PRESSLITZ

"Slick"

*"The more difficulties one has to encounter, within and without, the more significant and the higher in inspiration his life will be."*

Joe was noticeably popular with the fair sex; he could almost run a mile in five minutes; he knew how to tell a funny story—hence he was among the popular people in the class. Joseph can rest assured we will not forget him.

Commercial Course, Track 1, 2, 3; Hi-Life 4; Bookkeeping Club 3, 4; Business Club 3, 4; President of Business Club 4.

ALICE VIRGINIA PRIOR

"Allie"

*"A royal companion, an excellent friend, a real earnest worker and true to the end."*

"A friend in need is a friend indeed;"

Alice is true blue all the way through. She has done nothing spectacular during her sojourn here, but she has impressed us all by her good sense and good nature.

General Course, Forum 1, 2; G.A.C. 3, 4; Girls' League.

CHARLOTTE ANITA PULLIN

"Charley"

*"Charlotte is sweet and charming and gay.  
We'll miss her when she goes away."*

Winning smiles—cheery greetings—thoughtful of others—that's Charley. Here you see an ideal high school girl who finds joy in being kind to others. Charlotte's greatest service to G.F.H.S. was being a member of the school orchestra for four years.

General Course, Orchestra 1, 2, 3, 4; Montana Interscholastic Music Meet 1, 3, 4; Business Club 3; Girls' League.

FRANCES MARION PULLIN  
"Milly"

*"Charm strikes the sight, but merit wins the soul."*

Marion has sojourned with us two years, but she has proven her worth in being president of the Art Club. Because of her activities in the Daughters of the Rainbow and in musical circles we believe the saying "If you want a thing well done—let Marion do it" applies to her.

General Course. Entered from Manual Arts High School, Los Angeles, California, 1; Art Club 2, 3, 4; President of Art Club 4; Girls' League.

GLADYS RASMUSSEN  
"Gola"

*"Patience and diligence remove mountains."*

The two years which Gladys has spent at G.F.H.S. have been years of exceptional profit. We know her as a steady, dependable, hard-working girl with lots of determination and ability. She has "removed mountains" and, because of her plucky character, will continue to do so.

General Course. Entered from Nobridga High School, South Dakota 2.

LEONARD REGAN  
"Len"

*"Clear-headed friend—if aught of prophecy be mine,  
Thou wilt not live in vain."*

This blase youth you see is none other than Leonard. With his benign countenance and gracious manner he has become a great favorite in the halls of G.F.H.S. May success attend Leonard in the future.

General Course. Hi-Life Association 3; Roundup Association 3; Prom Committee 3; Senate 1, 2; Hi-Life 4; Football 1, 2; Basketball 1, 2.

RUBY HARRIET RISDAHL  
"Sheikie"

*"She sang of joy; whatever she knew  
of sorrow  
She kept for her own soul's peculiar  
share."*

Although Sheikie did not enter this school until her junior year, we have had ample time to discover her keen sense of humor. She has brains along with this, and can make a passing mark in a class without half trying.

General Course. Entered from Staele High School 3; Basketball 3; Girls' League.

EVELYN ROWE  
"Steamboat"

*"Her hair is yellow, and her eyes are blue;  
She is good and wise, and will always be true."*

With light hair and blue eyes, a Viking queen is she. Evelyn is jolly and a good sport. She is among our star pupils, having made a record in several branches of work.

General Course. Carnival Committee 2; Hi-Life Typist 4; Girls' League.

AGNES RUSICK  
"Aggie"

*"She is gentle, she is shy,  
But there's mischief in her eye."*

Aggie seems to go by the maxim, "Actions speak louder than words." She is so quiet that we can almost hear her think. We can truthfully say that her ways are pleasant and her paths are paths of peace.

General Course. Re-entered from Fort Shaw High School 3; Art Club 4; Forum 4; Girls' League.

JOE RUTAN  
"Slippery Joe"

*"There once was a man, whose luck was his pride;  
One day a dog bit him, and then—the dog died."*

Joe never distinguished himself as a ladies' man, although he was exceptionally popular with one member of the fair sex, Lady Luck. For who can dive off a motorcycle doing 35 onto a concrete curb, and come out of it whole, as Joe has done?

General Course. Orchestra 1, 2, 3, 4; Football 4.

DOROTHY SANFORD  
"Dot"

*"Who mixed reason with pleasure and wisdom with mirth."*

When we think of dignified Seniors, our thoughts immediately turn toward Dorothy. She did not carry that dignity too far, but was a friend to everyone. Her ability and intellect inspired sincere admiration. Some day we will have reason to feel proud of Dot.

Classical Course. Forum 1, 2, 3, 4; Art Club 3; Class Secretary 2; Latin Club 4; Girls' League.

## ROUNDUP

ELVERA CHARLOTTE SCHENCK

"El"

*"A face with gladness overspread,  
Soft smiles, by human kindness  
bred."*

Elvera, being an excellent student, possesses a keen intellect, which, coupled with a charming manner, makes her congenial and agreeable. She is always willing to help when you're in the lurch, and always filled with good fellowship.

Commercial Course. Art Club 1, 2; Home Economics Club 2, 3; Business Club 3, 4; Secretary of Business Club 4; Girls' League.

AGNES CELI SCHJOLDAGER

*"Her life's ambition would be repaid  
If all her commands would be  
obeyed."*

This slender miss, with her deep brown eyes, reminds us of a Spanish senorita. Agnes has brains and lots of them, but she was not always willing to use them. Her trip abroad made her a valuable member of the class as well as envied by many.

General Course. Music Club 1, 2; Secretary-Treasurer of Music Club 2; Hi-Life 1, 2; Latin Club 4; Girls' League.

FRED A. SEARLES

"Freddie"

*"When I give money I give something that is not mine; but when I give Friendship, I give myself."*

Freddie was our dare devil and he had a gift of gab; he was everywhere and into everything. We will miss his bright smile and his snappy repartees. Even the teachers say it will be lonesome when he is gone.

General Course. Hi-Life 3, 4.

LOIS E. SEDERHOLM

"Lo"

*"A girl reliable and true  
And every inch a worker, too."*

In speaking of Lo, the first things mentioned are her beautiful, expressive eyes and her ability to win and hold friends. That is not all, for she was an excellent scholar and lived up to the saying, "Brains and good looks go hand in hand."

General Course. Entered from Centerville High School 1; Business Club 3, 4; Girls' League.

ALBERTA ELSIE SHEPHERD  
"Berta"

*"Few are her words, many her deeds,  
Her mind is a garden minus the  
weeds."*

Here's to Alberta, the scholar, a natural born student, quiet and reserved by nature, and unbiased in all her judgment. The future has much in store for her, and the world would be exceedingly lucky if it had many more like Berta.

Classical Course, Junior-Senior Banquet Committee 3; National Honor Society 3, 4; Roundup Staff 4; Hi-Life 4; Latin Club 4; Oratorical Contest 4; Girls' League.

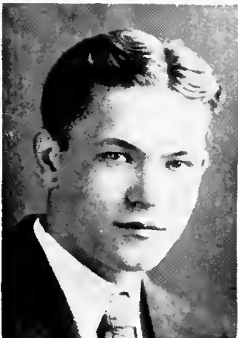

STEPHEN SHERICK  
"Sheik"

*"The least error should humble, but  
we should never permit even the  
greatest to discourage us."*

One might think that Steve never had a care in the world; that he was content to let the world go by as it would. This was not true altogether. May his path be one of success.

General Course, Tech Club 1; Football 2.

EDWARD L. SHUBAT  
"Abe"

*"Strong towers decay;  
But a great name shall never pass  
away."*

Abe is the ideal "pal." Through thick and thin, fair and foul, in him you find a true friend. With that charming contagious smile, he attracts many feminine eyes—but alas!—he is a woman hater!

Manual Training Course.

JENNIE M. SILTA  
"Jen"

*"Count that day lost whose low de-  
scending sun  
Views from thy hand no worthy ac-  
tion done."*

Her rosy cheeks and bright eyes, together with her vivacious good-natured temperament, have won a long list of admirers, which is constantly increasing. But not for a second did Jen allow pleasure to come before her work was done.

General Course. Entered from Centerville High School 3; Girls' League.

ANNA A. SIROLA

"Ann"

*"A merry heart, an honest sober mind,  
A sturdy character in thee we find."*

Ann was the most valuable asset the commercial department had. She has worked diligently for the Roundup, as well as for nearly every teacher in the school. No matter where she works or what she does, we know she will always be a success. We shall never forget Ann, and wish her the best of luck and the success she deserves.

Classical Course. Roundup Typist 3, Prom Committee 3; Business Club 3, 4; Treasurer of Business Club 3; Private Secretary to Coach Carr 4; Literary Editor of Roundup 4; Hi-Life Salesman 4; Latin Club 4; Girls' League.

MARGARET G. SKADSEN

"Peggy"

*"Thy modesty is the candle to thy merit."*

Peggy, though not a scholar, is a friend. Her manner is modest and she has made no attempt to break the ice of society. "Serenely on her way she goes and looks at neither friends nor foes."

General Course. Girls' League.

EDWARD SKOOG

"Charlie Snook"

*"A wise man is the maker of his own fortune."*

Edward is one of the foremost students of the class. He can outtalk any teacher in the building, pull a neat Prom, write startling editorials, advertise, and sell. What more could one want to do? A more dependable and efficient person would be hard to find. There is no use worrying about his future.

Scientific Course. National Honor Society 3, 4; Roundup Salesman 3; Prom Committee 3; Advertising Board of Roundup 3; Hi-Life 4; Associate Editor of Hi-Life 4; Business Manager of Roundup 4.

GEORGE H. SMITH

*"Look within. Within is the fountain of good, and it will ever bubble up if thou wilt ever dig."*

This chap has written some mighty clever things. A keen sense of humor, an unusual mastery of words, an extensive natural ability, which make him well known in this line, and all are his for the taking. May the best of luck be his in love, life, and labor.

General Course. Hi-Life 4.

## FOUR

MARION L. SMITH

"Smitty"

*"The important thing in life is to have a great aim, and to possess the aptitude and perseverance to attain it."*

Marion has only been with us two years, but her pleasing personality and capabilities soon won for her a prominent place in the social and scholastic life of G.F.H.S. May her future be as successful as her life here.

Classical Course. Entered from Leominster, Massachusetts; 3; G.A.C. 3, 4; Forum 3, 4; Booster Club 4; Basketball 4; Ring Committee 3; Montara Interscholastic Music Meet 3, 4; Prom Committee 3; Glee Club 3, 4; National Honor Society 3, 4; Girls' League.

VIOLETTE DOROTHY SPEHN

"Tot"

*"Sober, steadfast, quiet and true. This can be said of very few."*

Give Tot a pen and paper, and the time will be well spent, for she is a born artist. Quiet she is in her activities, sincere in friendships. One who always does her best.

Commercial Course. Home Economics Club 1; Art Club 2, 4; Bookkeeping Club 3; Design of Class Banner 3; Business Club 4; Girls' League.

GEORGE FRANCIS STANICH

"Porky"

*"Some men are brave while some are shy."*

Porky's motto is "Do or die."

Remember when Porky first entered these lofty halls of learning—shy, bashful, and reserved. Now—he is the very picture of an ideal Senior. George has high ideals and we sincerely wish him all the success in attaining his goal.

General Course.

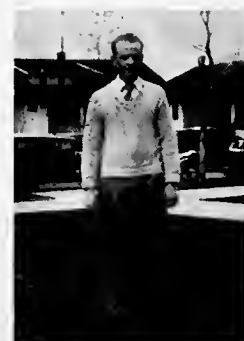

ROBERT STEVENS

*"The surest way to get riches worth while is to remember the delightful and forget the distressing things of life."*

Bob is chuck full of optimism. He and gloom have never met and probably never will. Always ready to talk, he was in his glory whenever someone would listen to him. Life will undoubtedly be kind to Bob, since he has learned to look upon the sunny side of it.

General Course.

## ROUNDUP

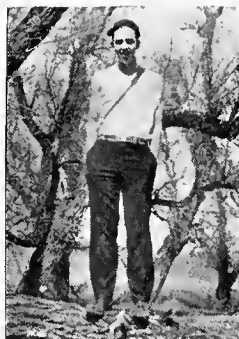

ROBERT STEVENSON

"Bob"

*"One's personal enjoyment is a very small thing, but one's personal usefulness is a very important thing."*

With Bob's keen business ability and capable leadership he was an indispensable asset to the class. An athlete, a booster, an enthusiastic helper of his class, one who won and held the esteem of all his classmates.

THELMA IONE STEVLINGSON

"Taba"

*"The patient worker who has a smile and a kind word for everyone is sure of success."*

Taba is one of the best reasons why gentlemen prefer blondes. She is the sort of girl who likes a lot of fun; yet she never thinks of play until her work is done.

General Course. G.A.C. 4; Tumbling 4; Art Club 4; Girls' League.

J. GORDON STEWART

"Gordie"

*"God put all upon this earth,  
That we might serve His ends,  
And then to give the world some  
worth  
He made some of us friends."*

We'd say Gordie, in that easy-going manner of his, has had more than his share of fun out of school. This chap has brains and ability, but he seems to be the last to discover it. He leaves many friends in G.F. H.S. who wish him every success.

General Course.

ADIN STRINGHAM

"Ham"

*"Like the Hudson, his ways are lined with bluffs."*

Adin is rather a hard proposition to diagnose. Although he did things at times that are usually supposed to be done by Freshmen, Ham has been an ardent supporter of the class undertakings and school policies. Tests were the only terrors for Adin in his career.

General Course.

OLIVE LAURA SUTTON

*"Pickles"*

*"In school she is quiet and demure;  
Outside of school we are not sure."*

Olive has a quiet, even disposition that takes a long time to kindle, but burns fast and furiously once it is started. She is one whom we would call a midnight beauty with black hair and snappy eyes.

Home Economics Course. Home Ec Club 1, 2, 3, 4; Girls' League.

MAX C. SWALL

*"Make every occasion a great occasion, for you can never tell who may be taking your measure for a higher place."*

Max is one of those fellows who helps to make four years of school more enjoyable. While not taking an active part in class affairs, his familiar smile and generous nature have a high place in the esteem of his classmates.

Scientific Course. Track 3, 4.

GERTRUDE F. SWEARINGEN

*"Dude"*

*"Oh fair and stately maid whose eyes  
Were kindled in the upper skies."*

Dude has in two years found many friends and admirers. She has set herself apart with a winning personality, quick laughter, and that unattainable air of sophistication which the rest of us can but envy.

General Course. Entered from Palo Alto High School, Palo Alto, California, 2.

HELEN A. TADEVICH

*"What if it does rain tomorrow,  
It's fair today."*

Helen has few cares and worries. She just believes in having a jolly, good time. Although she just entered this school last year, we have found that she has a winning personality and can make friends easily.

General Course. Entered from Geraldine High School, Geraldine, Montana 3.

## ROUNDUP

LYNN LILY TAYLOR

"Lil"

*"Full many a gem of purest ray  
serene  
The dark unfathomed caves of ocean  
bear."*

There's unsuspected charm and character in this small, unassuming girl, who has spent these four years so quietly, but profitably. It is a pleasure to know Lily and discover her interesting personality.

Classical Course. Art Club 4; Girls' League.

DOROTHY HELEN THIERKOFF

"Dot"

*"A sunny disposition is the very soul  
to success."*

One can tell what a jolly person Dorothy is by merely looking at her eyes, for they just dance with fun. Because of her unlimited supply of sarcasm and clever ideas, she was always interesting and never failed to chase the gloom away. She will be missed next year.

General Course.

HELEN CLAIRE THOMPSON

"Swede"

*"Complexion like a morn in June  
And eyes that glimmer like a moon."*

Helen is one of those few who can say what they think and get away with it. We can't help liking her, and the engaging smile that is hers and hers alone is what we like the best of all.

General Course. Business Club 3, 4; Basketball 1, 2; Girls' League.

KENNETH F. TIRRELL

"Dutch"

*"He was a man, take him for all in  
all,  
I shall not look upon his like  
again."*

Among our prominent athletes we must rank Dutch. His prowess on the gridiron did not become apparent until his Junior year. But then, and how! He was named second All-State End, and he was a good one.

General Course. Football 2, 3, 4; Basketball 2, 3; Lettermen's Club 3, 4.

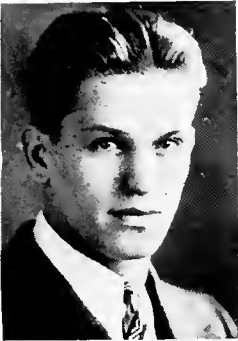

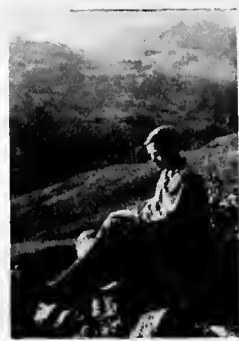

EDNA WELT LYONS

*"Wello"*

*"To be efficient in a quiet way;  
That is my aim throughout each  
day."*

Commercial Course. Home Ec Club 1, 2; Business Club 3, 4; Hi-Life 4; Girls' League.

WALLACE E. WENDT

*"Wally"*

*"His size assures him of a high place

Scientific Course. Lettermen's Club 3, 4; Basketball 2, 4.

FRANK M. WILLETT

*"Pink"*

*"In arguing the person owns his skill,  
even though vanquished, he could  
argue still."*

During his senior year, Frank surprised us all by the remarkable ability he displayed on the football field. Though he usually had to know the why and the wherefore of everything, "Pink" could appreciate another's opinions. Good work, Frank,—keep it up.

General Course. Football 3, 4; Lettermen's Club 4.

DOROTHY JEAN WILLIAMS

*"Dot"*

*"Diligence is the mother of good  
luck."*

We all have to admit that Dorothy is a very nice looking girl. She makes friends wherever she goes. Dot hasn't bothered so much about marks, because she is kept too busy just being a "good sport."

General Course. Forum 2, 3; Girls' League.

MALCOLM G. TOWNSLEY  
"Mac"

*"Wearing all that weight of learning  
lightly as a flower."*

If ever there is a debate about anything, Malcolm is called as Judge. He uses his slide rule as though he was born with it. He is bright as a star, and he never gets dull. Here's fifteen for Malcolm.

General Course. Entered from Garfield High School, Seattle, Washington 2; Senate 3, 4; Track 3; Roundup Staff 4; Dramatics 4.

EUGENIA V. UGRIN  
"Jeanne"

*"She's a form of life and light,  
Laughing eyes and manner bright."*

A new acquaintance might tell you that Jeanne is shy and reserved, but her intimate friends will tell you she is a good sport, a cheerful and fun-loving girl, who speaks, behaves, and acts just as she should.

Commercial Course. Girls' League.

FRANCES M. WALKER  
"Fritz"

*"Like a magnet she has the power of  
attraction."*

JAMES WARNER  
"Jimmy"

*"His friends all liked him,  
And everyone was his friend."*

Popularity, according to Webster, is general esteem. Jim had it. He was president of the Bookkeeping Club; he was a Hi-Life reporter, and otherwise made himself useful. His genial smile and his cheery "Greetings, friend" were well known and will be missed.

Commercial Course. Business Club 3, 4; Bookkeeping Club 4; Hi-Life 4; Treasurer of Business Club 4; President of Bookkeeping Club 4.

CHARLES H. WINN

"Chuck"

*"Give me a place to stand  
And I will move the world."*

He was never known as a social lion, with a way with the girls. He was too busy devoting his time to music. He belongs to a group of quiet fellows who get the most benefit from G.F.H.S.

Scientific Course. Orchestra 1, 2, 3, 4; Montana Interscholastic Music Meet 1, 3, 4; Flute Solo 3, 4; Basketball 3, 4.

WILLIAM WIPRUD

"Willie"

*"One of the few immortal names  
Not born to die."*

Here is a good-natured person who always has a smile for everyone. He is not afraid of work, and he is ever ready to help someone out of trouble. Results of his tedious labor can be found in the work he has done for both The Roundup and The Hi-Life.

Commercial Course. Business Club 3, 4; Bookkeeping Club 3, 4; President of Bookkeeping Club 4; Roundup Staff 3; Hi-Life 4.

GEORGE N. WRIGHT

"Bud"

*"So blithe was he, so gay of heart,  
So very straight of limb,  
That all the maids did straightway  
fall*

*Quite deep in love with him."*

Although he is a favorite with the fairer sex, he can take part successfully in the activities of the school. He is one of the lucky few who can get by without studying.

General Course. "Raw Boned Rosie" 1; Business Club 3; Lettermen's Club 3, 4; Football 1, 2, 3, 4; Track 1, 2, 3, 4; Basketball 1, 2, 3, 4; Captain of Class Basketball 3; Class Baseball 3, 4; Hi-Life 4.

FRANK WYNN

*"There are two sides to every argu-  
ment.  
The wrong side, and my side."*

Frank could always make his position tenable and he was a convincing talker. Also he used discretion in choosing his side of an argument. Frank impresses those who know him as a likeable chap with an ample supply of wise remarks.

Classical Course. Hi-Life 1, 2, 4; Orchestra 2; Class Treasurer 2; Tech Club 1; Flower Committee 2; Latin Club 4.

## ROUNDUP

JOHN H. WYNN

"Johnny"

*"John was always busy, as busy as could be,*

*Though what could be the reason was more than folks could see."*

The time has come when the Hi-Life is to lose a very faithful friend and worker. No doubt others can do his work, but his place cannot be filled. May good luck always be his.

Scientific Course. Booster Play 2; Roundup Play 1; Tech Club 1; Hi-Life 1, 2, 3, 4; Hi-Life Salesman 3.

MARY R. YAGUSAK

"Skit"

*"Not very big, not very tall,*

*But fair and sweet, and liked by all."*

Besides possessing a sunny disposition, Mary has a sparkling personality which makes us all her slaves. Whatever attempted, she does zealously and cheerfully. The four years she spent within our midst have not altered our Mary in the least.

General Course. Business Club 3; Girls' League.

JAMES A. YOUNG

"Jimmy"

*"If you'll observe, it doesn't take*

*A man of giant mould to make*

*A giant shadow on the wall."*

Jim proved to be one of the treasured disciples of the adage, "Silence is golden." His industry and sincerity will bring results of which we shall be proud. Many have known him, and many will miss him.

Scientific Course. Basketball 3, 4; Track 3, 4.

LAWRENCE EDGERTON YULE

"Laura"

*"Music hath charms to soothe the*

*savage beast.*

*He made us happier folks at least."*

Even though he never gained a reputation either as a persistent member of the Honor Roll or as a favorite with the fair sex, Lawrence was well known and well liked. The things he could do on the piano were simply superfluous.

Scientific Course. Senate 3, 4.

HELEN A. ZIPPERIAN

*"Zip"*

*"Then give to the world the best you have.  
And the best will come back to you."*

Zip has given her best whether it was in the classroom or on the basketball floor. Surely the future holds out to her the ultimate reward for such years of enthusiastic and conscientious work.

## COUNCILORS OF '30

The surviving warriors of the ravaging examinations of last year returned to the G. F. H. S. hunting grounds for another yearly sojourn, preparatory to their attaining the Happy Hunting Grounds of Seniordom. Several countenances, of course, were unfortunately missing, but this must be expected in so valiant and progressive a band. This time it was their privilege to strut about and regard their underclassmen haughtily, since they had already so auspiciously braved the rigor of two seasons.

Very soon they set about to choose their leaders. Mack Hamilton for the third time enjoyed the office of chief, Destie Coolidge being selected to assist him with his duties. Mary Dierberger was intrusted with the annals of the tribe, and Margaret Coulter was authorized to assume the role of Medicine Man, while Lillian Willcomb, Bill Pope and Franklin Gilchrist represented them in the Council of Sachema. Fortunately, the tribe again was blessed with the patronage of Mildred Chatterton as Faculty Sponsor.

Lady Luck once more accompanied them on the trail, making it impossible for us to enumerate their numberless achievements and honors. Of course, they added the most scalps to their belts in the Roundup subscription contest. In the April Pow Wow of all Indian tribes, known better in G. F. H. S. as the Carnival, the Councilors of '30 won first place. As a fitting conclusion of their brilliant career the Banquet and Prom, honoring the Seniors, was undoubtedly unsurpassed by any in the past.

It is safe for us to predict that, with the continued whole-hearted sympathetic support of their members, their course will not waver from the path of success and fame to which they have heretofore so steadily held.

## SPARKS FROM THE '31 LODGE FIRE

The tribe of '31 assembled, unwillingly perhaps, in September, 1928, to meet the big chiefs and happy warriors of the freshman year. Then it was discovered that some war parties had not returned to the camp and would perhaps be found later.

To head this tribe there were chosen two chiefs and two squaws, Glenn Shelton, Jack Pope, Laura Simons, and Frances Boyce. Straightway the council made big medicine plans. Big Chief Glenn ordered the tom toms brought in and the tribe assembled for a Hallowe'en celebration. Old Mother Witch was there with her cats and the yowls mingled with war whoops.

In the first Hi-Life raid the tribe carried off many scalps, and in the second were outnumbered only by the braves from one other nation. In the Roundup war many white men's cattle were branded and '31 had the second largest herd.

A totem for the tribe was designed to bear the password, *Nec pluribus impar* (not unequal to many). The ring council sought a desirable trophy for the coup sticks.

The tribe chose the same camp for a spring pow wow and the braves hurled their arrows of confetti at the pretty little squaws.

All the wise men and maidens are to make wampum now to carry to the settlement of 1929. There the tribe will see that its valor and coups bring it the place of honor among all the squatters and ranches.

## YOUNG WARRIORS OF '32

Chief Sitting Bull, or in other words Bob Severance, and his medicine man, Virgil Fisher, with the other head councilors of the tribe have successfully led the tribe through the perils and the dangerous wars of the first year.

Although the Cherokee is the youngest tribe roaming the great hunting ground of Central High, they are able to hold their own against the three avenging tribes.

They hope to conquer and take the trophies from the other Indians for four years. Then will they depart, leaving the beautiful grounds to younger tribes, while they explore and conquer new wonders.

"Ki-Yi Hi-Life," was the blood-curdling war cry heard when the tribes went on the warpath for the Hi-Life cup. Maidens and Braves alike went to war. The Cherokees returned home both times so victorious that even the Big Chief was satisfied, while Bob Speck granted his satisfaction at the numerous scalps brought to the tepees, in the form of Hi-Life subscriptions.

A great annual pow wow was given by the Cherokees, after several councils held by their chiefs. All four tribes threw vengeance to the winds and attended the big pow wow. For once, they laughed, danced, and were merry together.

Every year a new tribe enters this strange land. This year an exceptionally bright tribe entered. We hope they'll continue to be courageous and strong in numbers.

## ASSISTANTS

Coach Carr would have been severely handicapped without the valuable aid of these two assistants. Mr. Schultz, as coach of the second team, produced a team which gave the first team plenty of stiff practice. Kenneth Batchellor, as head manager, with Alfred Bloom and William Zadick as assistants, worked faithfully throughout the year to insure the best of conditions under which the team could work.

## FOOTBALL

The football season of 1928 was very successful. Playing the hardest schedule of any team in the state, the Blue and White became strong contenders for the state title. Winning six games out of nine, and the northern district championship are feats that can only be performed by a remarkable team.

### KALISPELL GAME

Great Falls won her opening game of the season by defeating Kalispell 36 to 0. Four of the five touchdowns were made in the first half; Kalispell was never within striking distance of the Blue's goal line. Substitutes were used freely, which gave Coach Carr a good line on the material he had for the present season.

### TETON GAME

Teton County High put up strong opposition, but the Blue and White again emerged victorious by the score of 26 to 0. Central scored in every quarter and, as before, many substitutes were used.

### MOUNT ST. CHARLES GAME

Great Falls overwhelmed St. Charles by the score of 81 to 0 in her third game of the season in the Power Park. Central out-weighted her opponents many pounds to the man, which to some extent accounts for the high score. Every man in Blue and White uniform saw action at some time during the game.

### LEWISTOWN GAME

For the first time in the season the Blue had its full force on the field. Lewistown, a highly touted team, came to Great Falls with high ambitions of winning, but were taken into camp by the score of 60 to 0. However, Central met with disaster in the receiving of a badly wrenched knee by Hober. The game was much better than the score indicated.

The Blue Ponies of Havre came to Great Falls with the sole intention of wiping out the defeat which she met at the hands of Central last year. This was the district championship game and both teams were determined to win. Havre threatened the Blue's goal line but once, while Central succeeded in pushing the ball across Havre's goal line three times and kicked two of the goals, making the final score 20 to 0.

### BUTTE CENTRAL GAME

Butte Central was touted as the best team in the state, but had been beaten out by Butte High by a score of 13 to 12, and thus this game had no bearing on Great Falls' chances for the championship. For the first time a large crowd witnessed the game. Two costly fumbles in the first period resulted in two scores for the Maroons. Great Falls' only score came in the second period as a result of a long pass. In the last half Butte Central scored again and at the end of the game the score stood 20 to 7 against the locals.

#### BUTTE HIGH GAME

The Blue journeyed to the mining city for the inter-district championship game, the winner of which was to play for the state title. The field was in good condition considering the slight snow that fell during the game. The first half ended with a score of 6 to 3 in favor of Great Falls, but the Butte team came back in the second half determined to win, and at the end of the game the score stood 28 to 6 in favor of Butte.

### HELENA GAME

A special train accompanied the team to Helena to witness the Blue in their last game of the season. Helena turned out to be a dark horse and defeated Great Falls by the score of 32 to 6. This ended the High School football career of Armstrong, Moe, Burleigh, Stevenson, Willett, Tirsell, Conrad, Jewell, Cook, Wright, Carr, Palin and Wendt. Great Falls will have six lettermen back in uniform for the 1929 season in the persons of Hober, Zadick, Leland, Hamilton, Dorich and Bovee.

## THE SECOND TEAM

Much credit must be given to the boys who worked faithfully throughout the season to insure the success of the first team. This year Coach Harry L. Schultz had a regular schedule for his squad. They played seven games, winning two and losing five, which was due to hard luck.

## BASKETBALL

### 1928~1929

The basketball season of 1928-1929 was one of great success. By winning nineteen out of twenty-nine games and placing fifth in the state tournament the Blue and White have established a record of which they may be proud.

The outlook for Great Falls was exceedingly bright when they beat Cascade, a highly touted team, 40 to 14 in the opening game of the season.

After beating the Alumni the first night by the close score of 35 to 34, the Blue and White suffered their first defeat in the second game of the series by a 48 to 34 score.

The team journeyed to Helena for a two game series. The Tigers of Helena were far outclassed by the Blue in the first game and suffered a 43-27 defeat. They avenged themselves, however, the following night and beat Great Falls 30-23.

The Bisons broke even in a two game series with Havre, winning one by a score of 21 to 20, and losing the other by the score of 23 to 21.

On a tour of northern Montana they played three games, winning two and losing one.

Old feuds were revived when Butte Central came to Great Falls for a two game series, both of which were won by the Maroons.

The following week Great Falls beat Havre 30 to 23 on the Havre court. The next night Great Falls lost a game to Big Sandy by the slim margin of 44 to 42.

In the first sub-district tournament, Great Falls placed first by defeating Cascade, Choteau and Belt. As a result of this Great Falls and Belt were to journey to the district tournament to be held later at Havre.

In the meantime, the Blue boosted its conference standing by defeating a fast team from Mount Saint Charles twice in a two game series on the Great Falls court.

At the district tournament Chinook defeated the Blue by a 32 to 25 score in their first game. By defeating Belt and Shelby, Central placed second, Havre winning first. Thus Great Falls and Havre were to represent the northern district in the state tournament held at Bozeman.

In a two game series held in Great Falls, the Blue defeated Helena by safe margins. These were the last games to be played on the local court.

Central made a very creditable showing at the state tourney. In the first game with the Roman giants, the Blue emerged on the short end of a 32 to 30 score. Forsyth was our next opponent, but, displaying a much better brand of basketball than in the previous game, Great Falls won easily.

In her last two games Central won from Whitfish and Big Timber, and thus earned fifth place.

Those making the trip to Bozeman were Wendt, Jewell, Hober, Moe, Carr, Young and Wright.

## SECOND TEAM BASKETBALL

In place of the regular second team this year Coach Carr organized a league, composed of four teams, namely: Blue Jackets, Cubs, Pirates and White Sox. After a series of elimination contests the Blue Jackets emerged league champions. The teams and their standings are as follows:

	Won	Lost
Blue Jackets .....	8	1
Cubs .....	5	4
Pirates .....	3	6
White Sox .....	2	7

The prospects for track and field honors were bright in 1928 as there were many good men back from last year's squad.

When the call for practice was issued by Coach Carr, the last year's relay team responded, as well as a wealth of new material.

The first meet to be held was a Mutt and Jeff affair. The Mutts won out over the Jeffs by a narrow margin. Flanagan was high point man. The Seniors copped the interclass meet, by a high score.

The State Track and Field Meet at Missoula now arrived. Coach Carr, picking his men on their showings in the two previous meets, selected Captain Mike Drazich, J. Armstrong, Wright, Hamilton, Flanagan, Dierberger, Moe, Knutson, Bainton and H. Armstrong to make the trip, which was done in cars.

Great Falls' team tied with Anaconda for eleventh place, making a total of eight points. Captain Drazich and Harold Moe were the only Blue and White contestants to place. Drazich took second in the 220-yard dash and third in the 50-yard sprint, while Moe placed fifth in the shot put.

Due to a lot of hard luck in the relay, Great Falls placed fifth.

Drazich, J. Armstrong, Knutson, Flanagan and Dierberger will be graduated in June, while the other five, Hamilton, Wright, Moe, Bainton and H. Armstrong, may compete again next year.

## GIRLS' SPORTS

The field of girls' athletics under the direction of Miss Isadora Huff became more widespread this year and touched more of the girls in the student body.

An acrobatic dancing class was added with the eager approval and a large turnout proved the value and permanency of this new department.

GIRLS' BASKETBALL TEAM

TUMBLING TEAM

About fifty girls came out for volley ball. From these three teams were chosen, and of these three the Cubs emerged victorions in the tournament held during November.

Basketball, probably the most popular of all the girls' sports, got under way soon after Christmas vacation. After two months of hard practice, class teams were chosen and an interesting round robin tournament was held. The

INTERCLASS CHAMPIONS

Junior girls through superior playing and better team work won the tournament and were proclaimed interclass champions. The Seniors finished second with a total average of  $44 \frac{7}{10}$  points.

Girls' athletics have risen to a higher level this year and through the co-operation of the girls with their director hold great promise for the future.

## DRAMATICS

The dramatic department has always held a favored place in the high school curriculum. During the past year dramatics have reached a new high level of excellence. Through the efforts of Mrs. Huhn this success has been achieved, and much credit is due her. The Roundup goes to press before the presentation of the senior play, but we feel that we are safe in predicting that the play presented this year will rival any given in previous years.

Those competing for the first two places on the cast are Rex Manion, Malcolm Townsley, Virginia Douglas, Helen Nicholson and LaVerne Herman.

## HI~LIFE

The Hi-Life was originally organized nine years ago under the personal supervision of Miss Shaeffer. The paper serves a dual purpose; first, to stimulate interest in school activities, and second, to lessen the breach between the various classes and bring the students closer together. The journalism course is not offered to students with the intention of making journalists of them, but to thus function for the school. The Hi-Life is a weekly paper and is issued each Wednesday. During the current year there were over eight hundred subscribers. The Hi-Life depicts the affairs of student life as they are revealed in the corridors of the school.

## THE ROUNDUP

With the publishing of the school annual, each senior class has reached the pinnacle of its greatest effort. The very spirit of the class itself is contained within the pages of the book, and it is the result of the seniors' desire to leave one last token of their four years of high school life.

The purpose of the Roundup is to give the personnel of the graduating class, to record the traditions of G. F. H. S., and to leave a record of the events of the school year. Because of the annual, the school life of each and every student will live forever in his heart.

The Roundup of 1929 is the twenty-third annual to be published within the history of the school. In 1907 the first Roundup was published. It was very different from the present day book and was merely a small thin pamphlet having no cuts or engravings. Forty seniors graduated in 1907. With the passing of each year a larger and better Roundup has been put out by the staff, in its desire to excel the annual of each previous graduating class. It is not at all improbable that the future Roundup of G. F. H. S. will resemble some of the thick annuals published by present day colleges.

The year book means more to the individual student than any other custom of the school. Not a chosen few, but the whole student body is represented in the book. It serves as the means by which the alumni of G. F. H. S. may remember their joyful days of high school life.

The staff takes this opportunity to thank all members of the school for their loyal support and their aid in making this book a success. It also sincerely hopes that this Roundup proves as worth while as the school annuals have in the past, and that it will provide a great enjoyment for those who have attended G. F. H. S.

## SENATE~FORUM DEBATE

The Senate-Forum debate, held annually between the boys' and girls' debating societies, has assumed the proportions of one of the more important traditions of the school. The custom was inaugurated in 1920 and has been held each year except in 1927, being won by the Forum in 1925 and by the Senate the remaining seven times. The Senate this year entrusted its prestige to Gerald Egan, Wheeler Coy and Franklin Gilchrist, with Robert Weisgerber as alternate, while the Forum has found its champions in the persons of Mary Louise Ford, Grace Greenman and Shirley MacGregor, assisted by Betty Cooper as alternate. The event has been scheduled for May 28, Student President Mack Hamilton in the chair. "Resolved, That in the United States we are attempting to give too many people a college education," has been selected as the topic for argument.

# PROPHECY

Tampa, Florida, Feb. 4, 1949.

Dear Fritz:

I received your long-looked-for letter yesterday, and surely was astonished at all the news. Gee, you haven't forgotten how to sling the gossip. It nearly floored me when I heard about Rex Manion joining the ministerial force. Of course, I remember him, (and Margaret) long ago in the halls of G. F. H. S.

Oh, say, have you heard that Herb Armstrong is the coach up at the old school this year? "Ted" Bertsche is the girls' physical training teacher and I wouldn't be a bit surprised if they would get married any time now. She's waited patiently, and he's certainly old enough to have outgrown his bashfulness.

So Ed Skoog is editor of the New York Times now, and Marie Zuncich is the society editor? Well, now, isn't that nice! It is funny how things *will* work out! Oh, Fritz, did you see in the paper the other day that our old friend Betty Cooper was elected president of the W. C. T. U.? Can you beat that?

Last week we went down to Sarasota, where Ringling Bros. keep their menagerie during the winter, and whom do you suppose has charge of the elephants? None other than Freddy Searles, another inmate of the old school.

I got a letter from "Gop" the other day, and she said that "Isty" Johnson and "Wally" Wendt had just celebrated their eighth wedding anniversary. I didn't even know they were married, did you? She also told me that "Dot" Sanford was appointed principal of the Junior high school for the next term, and that "Gordy" and "Dude" were celebrating the advent of the third bouncing boy.

I saw on the sports page the other day where Harold Moe's football eleven was going to compete for the national title this fall. I'm sure they will get it, aren't you? Remember what a hero "Tubby" was in school? Speaking of athletes reminds me that "Bennie" Jewell is now director of the Y. M. C. A. in Great Falls. Doesn't it make you wish you were back there, even for one day?

Phil is feeling fine now and is all set to enter the National Golf Tournament in May. Mary Lon is getting taller every day. Really you wouldn't recognize her if you were to see her.

Phil and I went to the opera last night and heard Grace Ferris and Margaret Holt in their latest success. Believe me, those two certainly can sing. You remember how good they were twenty years ago, well they are just twenty times better now. Have you seen LaVerne Herman's latest talkie? It's a howl!

## THE ROUNDUP

Witlard Cook is her leading man and his hair is just as nice and curly as it was way back then.

I was surprised to hear that Lee Goodman's band is destined to be the successor of Sonza's. I always knew he was good, and Phil says that he had expected it all along.

Cyril Conrad's new picture sold for \$5,000. Well, why shouldn't it, with Gen Fifer for his model?

Oh, Fritz. I was walking along the beach the other day and whom do you think I ran into? Bart Dignan, and you can about imagine how great he looked in a life-guard suit, ohhh—

And Malcolm Townsley is president of Yale? Well, well, well,—and Anna Sirola is his private secretary? Oh, Fate! Is "Smitty" (as we used to call her) still teaching French at Harvard this year? They say her father has resigned as City Superintendent of the schools this year and has retired. Remember what a fine principal he was in '29?

I also have heard that Norman Fox is editor of the Leader, Orris Hawks is quite a notorious debater, and that Earl Hooker is the prosperous president of the Great Falls National Bank. I didn't know G. F. H. S. did have so many talented people in her hands twenty years ago, did you?

Say Fritz, have you ever heard anything about our lovely sponsor, Miss Haines? I certainly would like to get in touch with her so I could write to her. She certainly was a peach. Do you remember how much patience she always had with us?

I wonder what has happened to Rosemary and Len. They must have quite a family by now, as must Hortense (Marian) and Jerry O'Reilly.

I was glad to hear that the Wynn brothers succeeded in getting across the Atlantic during last week's terrible storm, with the mail plane. They certainly risked their lives for Uncle Sam that time, didn't they?

How is Bob feeling now? Phil and I were certainly sorry to hear he has been ill. But we know that you can't keep a good osteopath like him down for very long.

When are you folks coming to see us? Wouldn't it be nice to get together once more and talk and talk and talk? Having to write everything on paper like this reminds me of the days when we had to help George and Archie write gossip for the Hi-Life.

Write real soon and tell me of some more news you have heard about the good old class of '29. I certainly get homesick when I think of those dear old days of long ago.

With love,

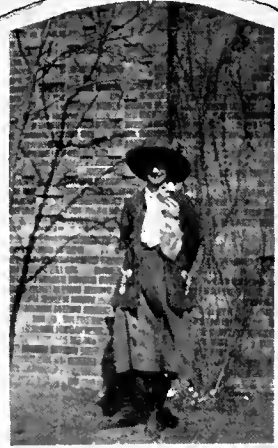

SHIRLEY.

By the MARCURE COUSINS.
